Summer Internship Program in Cryptology 2017

This is to certify that **Abothula Rakesh**, a second year undergraduate student of Computer Science and Engineering at Indian Institute of Technology, Guwahati, has successfully completed the *Summer Internship Program in Cryptology 2017*, held at the R. C. Bose Centre for Cryptology and Security, Indian Statistical Institute, Kolkata, during 15 May to 7 July 2017. The Summer Internship was supported by the 'Rx Lab Program' of *Microsoft Research India*, Bangalore.

Abothula has attended a *Series of Lectures and Research Talks* on Cryptology and Information Security during the first two weeks of the program, and has thereafter worked on a research project in the broad area of Cryptology and Information Security, under the supervision of Dr. Sushmita Ruj, R. C. Bose Centre for Cryptology and Security, ISI Kolkata.

Abothula Rakesh's overall performance in the *Summer Internship Program in Cryptology 2017* was quite commendable, and I wish Abothula best of luck for all future endeavors in academics.

A handwritten signature in blue ink, which appears to read 'Bimal Roy', is written over a horizontal line.
